

FIND THE EVIDENCE

SUMMARIES • [DynaMed](#)
Syntheses of available
evidence, updated daily. CE

SYNOPSIS Evidence Based
Synopsis Journals via the
Ejournal Finder

SYNTHESES • [Cochrane
Library](#) (Wiley) Systematic
reviews (CDSR), DARE,
controlled trials register. •
[PubMed Clinical Queries using
Research Methodology Filters](#)
Use pre-formatted search
filters to find evidence-based
articles:
etiology, diagnosis, therapy,
prognosis, clinical prediction
guidelines. • [CINAHL Plus
Systematic Reviews](#) Use
Systematic Review in the
Publication Type option.

STUDIES • [PubMed](#)

From the National
Library of Medicine. Includes
MEDLINE.

- [CINAHL Plus](#)
(Ebsco) Cumulative Index to
Nursing and Allied Health
Literature. CE [HSLIC
Databases](#)

Read about the 5S model of information services for finding best evidence for healthcare

- [The 5S Model](#) Haynes, B. (2006).
Of studies, syntheses, synopses,
summaries, and systems: The "5S"
evolution of information services
for evidence-based healthcare
decisions. ACP J Club. 2006 Nov-
Dec;145(3):A8. ([5S Pyramid](#))
- [The 6S Model](#) DiCenso A, Bayley L,
Haynes RB. (2009) Accessing pre-
appraised evidence: fine-tuning the
5S model into a 6S model. Evidence
Based Nursing. 2009 Oct;12(4):99b.
